**MR. DEPUTY SPEAKER.**—The discussion will continue on Monday. Now, I will take up the next item on the agenda. The next item is the call attention by Sriyuths Sayanak and Krishnan. The Hon'ble Minister for Health and Housing is not here. He has taken my permission and therefore, this will be taken up later. So, the next is call attention notice by M. Bommai.

**CALLING ATTENTION TO A MATTER OF URGENT PUBLIC  
IMPORTANCE.**

*Re : Failure of Groundnut and Chillies crop in Kundagol Taluk*

Sri S. R. BOMMAI (Kundagol).—I call the attention of Hon'ble Minister for Agriculture and Education to the failure of ground-nut and chillies etc., in Kundagol Taluk.

Sri K. V. SHANKARA GOWDA (Minister for Agriculture and Education).—Sir, With reference to the call attention notice, I beg to state :

Although the seasonal conditions started well in the beginning of monsoon season there was long break during the months of August and September and again in October. As a result Groundnut crop suffered considerably during the flowering and fruiting stage for want of moisture. Chilly crop also has suffered to a certain extent in this Taluka. The crop of wheat was also reported to be below normal. It is true that heavy rainfall occurred in 3rd week of February in the villages mentioned. Cotton, Toor and Safflower were standing in the field at the time. Wheat was in threshing floor, fodder was still to be stacked. It is reported that there is damage to the standing crops to the extent of 10 to 20 per cent. Fooder which was lying outside has not been completely spoiled but quality would be affected to certain extent. The exact assessment could be made and if necessary, scarcity works could be taken up in the areas if declared as scarcity affected villages.

Mr. DEPUTY SPEAKER.—Next, half-an-hour discussion regarding land revenue and surcharge. Mr. Devegowda.

HALF AN HOUR DISCUSSION ARISING OUT OF REPLIES TO  
STARRED QUESTION NO. 79 TAKEN ON 2nd MARCH 1968  
*re: REMISION OF LAND REVENUE AND SURCHARGE.*
